4. Reservoir Sensor

Sonic Reservoir Sensor SR-13

Sonic Reservoir Sensor SR-13

Non-contact liquid level sensor using sound

Features

- □ Monitors liquid levels in solvent bottles and waste tanks
- □ Liquid level displays
- □ Alarm sounds at danger level
- □ One-touch connection
- □ Control with RS232C protocol (option)

Product Name	Sonic Reservoir Sensor
Product Number	SR-13
Wetted material	Solvent probe: non-contact, Waste probe: PTFE
Remote control	Input : — Output: Error
Communication	RS232C (option)
Dimensions	115 (H) × 85 (W) × 80 (D) mm, excluding protuberances)
Weight	Aprox. 0.7 kg
Power	DC 24V MAX 15W (AC adapter included)
Order Code	FA007-500
